SUMMARY

Motivated Computer Science Engineering student passionate about Full-Stack Development, Artificial Intelligence, and Software Engineering. Skilled in building scalable web applications using React, FastAPI, Python, and MySQL. Seeking internship opportunities to gain industry experience while contributing to real-world software solutions.

EXPERIENCE

Pixel Quest

Nov 2025 – Apr 2026

Python Industrial Trainee

6 Months

- Completed a 6-month industrial training program in Python programming. Developed Python applications using object-oriented programming concepts.
- Worked with file handling, modules, functions, and problem-solving exercises. Strengthened programming fundamentals through practical assignments and mini projects.

PROJECTS

AI Interview Simulator & Performance Coach | React, FastAPI, Python, MySQL

- Developed a full-stack AI platform for realistic mock technical interviews. Integrated LLMs for question generation, answer evaluation, and AI feedback.
- Implemented authentication, interview history, analytics, voice input, and PDF reports. Built using React, FastAPI, MySQL, Ollama, Groq AI, and Faster Whisper.

Graphical Password Authentication System | React, Node.js, Express.js, MongoDB

- Built a click-point graphical authentication system replacing text passwords. Implemented JWT authentication, bcrypt encryption, and secure REST APIs.
- Developed a responsive React frontend with Express.js and MongoDB backend. Improved login security against brute-force and dictionary attacks.

Developer Portfolio Website | Next.js, TypeScript, Tailwind CSS

- Designed and developed a responsive portfolio showcasing projects and skills. Integrated 3D UI, animations, dark/light mode, and SEO optimization.
- Implemented a contact form using Next.js API Routes, Zod, and Resend API. Deployed on Vercel with GitHub version control and CI/CD workflow.

EDUCATION

CMR College of Engineering & Technology (CMRCET)

Bachelor of Technology (B.Tech) in Computer Science & Engineering

Hyderabad, Telangana

2026 – 2029

Indur Institute of Engineering & Technology

Diploma in Computer Science Engineering | CGPA: 9.78/10

Siddipet, Telangana

2023 – 2026

TECHNICAL SKILLS

Languages	Java, Python, JavaScript, TypeScript, HTML5, CSS3
Frontend	React.js, Next.js, Tailwind CSS, Vite
Backend	FastAPI, Node.js, Express.js, REST APIs
Databases	MySQL, MongoDB
AI Tools	Ollama, Groq API, Faster Whisper
Developer Tools	Git, GitHub, VS Code, Postman, Vercel
